#01: ...It's not large. It's in a ah.....it's a partially damaged building. ....Sense it's either....just before or just after a public exposure type of presentation.

#66: Okay, what is he actually doing? Describe his activity as he sits at the table, 23 July 1983, 7:00 in the morning.

#01: ....Just speaking. He's like standing and speaking. .....Some kind of a politically oriented .....ah.....It's a political meeting, political gathering.

#66: Okay, tell me about the items or things he has with him at the table, items or things that belong to him here at the table.

#01: See a briefcase, see a...it looks like charts or graphs. .....Just a minute.....It's documents.

#66: Okay, what else?

#01: .....Pointer of some kind, some longated thing in his hand. There's a microphone immediately front and center. Ah.....

#66: And what else does he have with him?

#01: ....I see guns now.

#66: Okay.

#01: .....This is the guns laying on the table....and ah...explosive devices or (mumble). None of them, none of these are armed,..just sitting there.

#66: I have no further questions about the room, and the items in the room, the items belonging to him and now I want to give you an opportunity to explore beyond the confines of my questions.

#01: .....Keep ah..going and focusing on a stack of papers..that have figure drawn in them, sketches of people..... That's all I got.

#66: Okay, fine.
